

LEED Green Associate Class

March 1st and 8th, 2019

The class will run from 8:30 -4:00 on both days listed above

GRN  **VISION**

The LEED Green Associate Class is the introductory credential to the LEED professional specialty. The class will be an introduction and overview on the LEED rating system. The class will be held at the Springs Preserve on two consecutive Fridays, March 1st and 8th running from from 8:30 to 4:00. The class will be taught by LEED Faculty member Dave Ray of GRN Vision. In addition

to the lectures, there will be sample tests and additional handout information designed to make sure that the participants can effectively take and pass the LEED GA Exam.

Please register at WWW.GRNvision.com

The cost for the class is \$250 per person.
